## Why Cloud Telephony for Businesses?

A Missed Call Alert can instantly project a big company image for your established business. It can make you more accessible to your customers. When your customer knows the call is free, they are more likely to call and inquire about your product. Using a Missed Call Alert can also generate an immediate national or international presence. Even smallest company having just 3 employees can make the same impression as a large Fortune 500 company.

### Missed Call Alert Features:

**1:** You Never Lose a Business Lead. **2:** On website Available 24x7. **3:** List of all the people who call you is accessible. **4:** Call forwarding to your Mobile work from anywhere. **5:** Never Busy, N number of people can call you at the same time. **6:** No Hardware or Setup Cost No hardware to purchase. Pay as per use. **7:** Unlimited extensions for your departments and employees.

### How it Works:

1. Step 1: Choose a Missed Call Alert for your Business
2. Step 2: Record your Message for Greeting by Professional Voice Artist.
3. Step 3: Add departments and Employees
4. You are ready to receive instant calls, voice mail and faxes from your customers.
